DESCRIPTION

Men's slim-cut trousers in stretch cotton (97% cotton, 3% elastane) offering a smart, comfortable option for everyday wear. The slim silhouette gives a modern, tailored look without restricting movement thanks to the fabric's elasticity; the shape in the photo highlights a clean, structured finish suitable for both work and casual use. Available in colour options such as Navy and in sizes 36 EU to 58 EU.

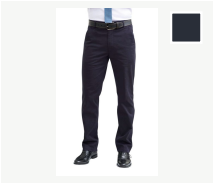

The design includes practical side pockets, piped back pockets and belt loops for a polished appearance. Quality finishing ensures the trousers hold their shape when worn; care is straightforward following the manufacturer's label.

These trousers can be personalised from one piece using embroidery, DTF printing, flex, screen printing, transfer techniques and embroidered badges — a practical choice for companies, sports clubs, associations, schools and individuals seeking personalised trousers. Our in-house studio can vectorise or retouch your logo before production.

KEY FEATURES

- High level of stretch.
- Modern cut with refined finishes.

COLOURS (1)

Navy
