DESCRIPTION

The Astoria PP travel cup is a simple-wall 350 ml mug designed for everyday use at events, on commutes or during coffee breaks. Its tapered shape makes it easy to hold but the single-wall construction allows heat transfer to the exterior. The cup is made of PP and should be hand-washed to avoid exposure to extreme temperatures.

The cup includes a silicone lid and a silicone band to improve grip and reduce spills. Dimensions are Ø 8.5 cm x 11 cm, and the product is available in multiple colours such as Black, Blue and Red. Minimum order: 15 pieces (colours and sizes combined).

Customisation is available by personalised cup using screen printing on objects or pad printing, ideal for straightforward logos and promotional runs. Suited to companies, clubs, associations and events looking for a practical branded cup. Free quote within 24 hours on weekdays; collection in Evere or delivery in Belgium, France and Luxembourg.
