DESCRIPTION

Metal multifunction pen, Triolux model, compactly sized (18 x 3.9 x 2.2 cm) for professional use. It combines a black ballpoint refill with a white LED, a red laser pointer and a stylus tip for touchscreens. Supplied in a metal gift box with three button cells included, the metal construction gives a firm feel suitable for everyday carry.

The upper barrel features two push buttons to operate the light and pointer, a pocket clip for attachment and a rubberised stylus tip for screens. Its compact dimensions make it easy to carry in a case or document holder. Available in several colourways, including a matte silver option among others.

Order this personalised pen with laser engraving, pad printing or digital printing. Ideal for businesses, sports clubs, associations, events and private customers — minimum order 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
