The unisex Pushton ballpen pairs a recycled paper barrel with ABS trims for a lightweight, comfortable grip. It writes in blue ink with a fine point suitable for office notes, forms and promotional giveaways. The product photo shows a clean, matte finish with a practical clip and a discreet push mechanism.

Measuring Ø1x14 cm, the pen features ABS accents at the clip, tip and push button for added durability without extra bulk. The paper surface provides a natural feel and good adhesion for printing. Available in 1 colour: Matte Silver.

This personalised pen can be customised by screen printing, pad printing or digital printing depending on the marking area. Minimum order: 500 pieces (colours and sizes combined). Recommended for companies, clubs, schools, associations and events seeking a more responsible promotional item.
