Country of origin	China
Carton	20 pieces

DESCRIPTION

The Sonoma sommelier gift box is made from MDF and measures 16 x 10 x 4.5 cm, sized to hold a corkscrew, drip stopper and stainless-steel stopper. The MDF construction gives a consistent, wood-like finish and a solid base for a refined presentation of the accessories.

The box features a metal clasp and a cut foam interior that secures each tool in place; the inside of the lid is padded to protect the contents. Its compact proportions make it suitable for corporate gifting, event packs or as a tasteful present for club members.

Customisation options include laser engraving, screen printing (object) and pad printing. This personalised gift box requires a minimum order of 10 pieces (colours and sizes combined). Ideal for companies, associations, sports clubs, events and private customers looking for a neat, practical gift.
