Country of origin	China
Carton	400 pieces

DESCRIPTION

Wired earphones supplied in a triangular PS case, model Musiplug designed for everyday mobile listening. The 120 cm cable gives freedom of movement while keeping your device at a distance. The rigid case protects the earphones and keeps them neatly stored for travel or daily use. Material is PS and the model is offered in several colour options.

The triangular case keeps the earbuds organised and helps prevent cable tangling; the in-ear tips visible in the image provide a secure, comfortable fit for short listening sessions. Compact dimensions of 6.5 x 6.5 x 1.5 cm make it easy to carry. Care is straightforward: wipe the case clean and gently clean the tips when needed.

These personalised earphones can be marked by pad printing, digital printing or doming. Minimum order: 200 pieces (colours and sizes combined). Suited to companies, events, clubs and promotional giveaways; our graphic studio can prepare or vectorise your logo before production.
