DESCRIPTION

This neoprene pencil case, model Iris, features a slim, elongated shape perfectly suited to pens and pencils. The foamy neoprene cushions contents while remaining flexible; a longitudinal zip gives easy access and a metal carabiner allows attachment to bags or keys. Compact size: 20 x 5 x 2.5 cm. Available in several colours, for example Black and Blue. Neoprene makes it low-maintenance and suitable for everyday use.

Clean finishes and minimal visible seams provide a tidy appearance. A single main compartment maximises storage for writing instruments while keeping the case lightweight and unobtrusive — practical for schools, offices and promotional events.

This personalised pencil case can be marked by flex, transfer (multicolour) and DTF printing. Ideal for companies, clubs, associations, events and private customers looking for a useful branded item. Minimum order: 150 pieces (colours combined). Free quote within 24 hours on weekdays; standard production 10 working days; collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Our studio can rework or vectorise your logo.
