DESCRIPTION

The Zack pocket calculator is a compact office accessory designed for everyday desk use. Made from ABS and measuring 11.5 x 5.5 x 1 cm, it features a 10-digit display and a flat keypad for straightforward calculations. One AG13 battery is included. This model is offered in several colour options (for example white) subject to stock availability.

Its slim profile and rounded edges make it easy to store in a drawer or pencil case. The layout provides quick access to memory and percentage functions, making it practical for routine administrative tasks. The dimensions ensure it is unobtrusive while remaining fully functional for common office calculations.

Customisation is available by doming and pad printing to add your logo or a branded badge on the face. Ideal for companies, events, schools, clubs and corporate gifts. Minimum order: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
