DESCRIPTION

The Cecil writing set includes a twist ballpoint and a capped roller presented in a gift box. Slim, refined silhouette with polished metal accents and an ABS body providing a smooth feel and neat finish. The ballpoint uses blue ink and the roller uses black ink, offering comfortable handling for office use or corporate gifting. Box size: 17.5 x 5 x 3 cm. Care is straightforward — wipe with a soft cloth when needed.

The roller is supplied with a removable cap while the ballpoint operates via a twist action; both pens feature a discreet metal clip for attachment. Chrome-style trim enhances the professional look, making the set suitable for presentations and client gifts.

Personalised writing sets are available from a minimum order of 25 pieces (colours and sizes combined). Customisation techniques available: laser engraving, tampography, digital printing and doming. Our studio can vectorise logos and prepare artwork — ideal for companies, sports clubs, associations, events and private gifts.
