DESCRIPTION

The Derrick writing set comes in a presentation gift box and includes a twist ballpoint and a roller. Bodies are made from PU with a compact format (17 x 6.5 x 1.5 cm), designed for everyday professional use, client gifting or corporate giveaways. Care is straightforward: wipe the PU surfaces with a damp cloth.

The case holds both pens side by side in a molded interior for a tidy presentation at events or award ceremonies. The pens feature metallic details and a textured body that improves grip; they are supplied with blue ink for standard use. Available in several colour options, for example Titanium and other variants listed on the product sheet. Minimum order: 25 pieces (colours and sizes combined).

Brand the set by laser engraving, pad printing or screen printing on items to add your logo or message. Suitable for companies, clubs, associations and events looking for an elegant promotional gift. Personalised writing set, free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
