DESCRIPTION

This 1 m tape measure in PVC features a rounded case and compact, lightweight design for everyday use. The circular housing includes a central push button to retract the tape; at Ø5 x 1.4 cm it slips easily into a pocket or bag, making it a handy on-the-go tool.

The tape locks and rewinds via the push button, and the tape end has a small tab for accurate placement. The smooth casing finish is easy to clean. Its compact proportions make it suitable for sales reps, technicians, tradespeople, clubs and promotional events where a small practical measuring tool is needed.

This promotional item can be personalised by digital printing, doming or pad printing.
