Reference	8225
Composition	PS
Material	PS
Average weight	0.026
Dimensions	16 x 2,2 x 1,5 CM
Country of origin	China
Carton	250 pieces

DESCRIPTION

Compact emergency torch in PS designed as a car accessory for roadside or workshop use. Its slim profile (16 x 2.2 x 1.5 cm) makes it easy to store in a glove compartment or under a seat. The unit features three LEDs under a translucent cover and a central push button for operation. Four AG3 batteries are included and a rear magnet allows attachment to metal surfaces for hands-free lighting.

The matte-finish housing has rounded edges for comfortable grip. The straightforward construction reduces wear points and maintenance is limited to wiping with a dry cloth. Its compact dimensions and light weight make it practical for tool kits, boot storage or emergency packs.

Customisation is available by pad printing and this torch is suitable for companies, clubs, associations, events and corporate gifts for individuals. Not available to order per piece — minimum 125 pieces (colours and sizes combined). Our graphic studio can vectorise your logo; free quote within 24 hours on weekdays. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg. personalised car accessory.
