DESCRIPTION

Compact dynamo torch in durable ABS, designed for convenient pocket use. It features two LEDs, a retractable dynamo crank so no batteries are required, and a wrist strap for easy carrying. At 10 x 5 x 2.5 cm it is small enough to include in tool kits, giveaway packs or event bags. The casing has a matte finish that wipes clean easily.

The photograph shows side controls and an ergonomic shape for a secure grip. The robust ABS body reduces the risk of damage during regular outdoor use and makes the torch a practical promotional item. Maintenance is straightforward — wipe with a damp cloth.
