DESCRIPTION

Compact and practical, the David 3 m tape measure is designed for everyday use in offices, workshops or at events. The ABS casing houses a 3-metre steel tape and its small footprint (7 x 5 x 3 cm) makes it easy to store in a pocket or tool box. It features a wrist strap and a shiny metal clip for easy carry. Available in 1 colour (black).

The silver-tone casing includes ergonomic grip areas and a locking button to hold the tape during measurements. The end hook and metal tape deliver reliable, straightforward measuring for routine tasks; it cleans easily with a cloth.

This personalised tools and torches item can be marked by tampography or finished with doming depending on the desired look and placement. Suitable for companies, clubs and associations looking for a useful promotional item. Minimum order: 50 pieces (colours and sizes combined); request a free quote on request.
