DESCRIPTION

Practical and compact, the Mia 5 m tape measure offers a sturdy casing with a metal measuring tape marked in cm/inches, suitable for site or workshop use. Measuring 6.5 x 6.5 x 3.5 cm it slips easily into a pocket or toolbox and features a wrist strap and a shiny metal clip for attachment. It is available in several colours, for example red, grey or yellow.

The case includes an easy-to-use lock and a protected tape exit to make one-handed measuring simpler. Textured sides and a prominent lock improve grip and stability for repeated measurements, making it suitable for both professional and domestic tasks.

This personalised tape measure can be decorated by doming or pad printing (tampography) and is ideal for businesses, sports clubs, associations, events and corporate gifts.
