DESCRIPTION

Practical and compact, the Melo 2 m tape measure features a matte ABS case with a shiny metal clip and wrist strap, making it easy to carry and use. The metal measuring tape extends smoothly and locks via a thumb catch; its small footprint (6 x 5.5 x 2.3 cm) means it stores conveniently in a pocket or toolbox. The item is composed mainly of metal and plastic and can be wiped clean with a damp cloth.

The rounded case provides a flat area suitable for clear marking. The locking mechanism and attachment loop are built for everyday use, while the wrist strap aids handling on site. The tape measure is offered in several colour options, including matte silver and other finishes subject to stock availability.
