DESCRIPTION

The "Paul" tool kit is presented in a zipped metal case and contains a practical assortment: pliers, wire cutter, mini pliers, screwdriver handle with extension, 10 bits and 6 precision screwdrivers. Made of metal and measuring 18 x 13.5 x 3 cm, it’s compact and suited to light repairs, small assemblies and general maintenance. The model is offered in 1 colour (Black) and is appropriate for both business and personal use.

The case opens flat for direct access; tools are held by elastic bands and molded compartments while the zip closure keeps everything secure during transport. The interior appears to be a durable synthetic lining, making storage and basic cleaning straightforward.

Customize this kit using screen printing, laser engraving, digital printing or doming. Well suited for companies, sports clubs, associations, schools and promotional events looking for a practical giveaway. Note: minimum order 10 pieces (colours and sizes combined).
