DESCRIPTION

A children's fleece blanket presented with a plush bear attached at the edge: the Manta model measures 120x80 cm and is made of PET, designed to remain soft to the touch and easy to care for. It suits infants and young children and offers a secure grip thanks to the bear's velcro arms that hold the blanket rolled.

Practical detail: the bear is stitched to the side of the blanket and its velcro arms keep the roll compact for transport or storage. This is not a garment but a soft toy product, available in several colours such as blue and white. Size: 120x80 cm.
