## DESCRIPTION

Small plush keyring measuring 5 x 9 cm, a compact personalised plush toy designed to accompany keys or bags. The stuffed PET body sits in a seated posture with short limbs and a rounded head; a metal ring is attached at the top for convenient fastening. The bear wears a cotton T-shirt prepared for logo printing, providing a neat surface for your artwork.

Construction details include visible seams and proportions chosen to remain balanced when suspended. Its small size makes it suitable for event giveaways, welcome packs or retail accessories; spot cleaning is recommended to preserve the printed T-shirt and the plush surface.

Customisable with flex, transfer and DTF printing, this keyring is aimed at companies, clubs, associations, schools and promotional events. Minimum order: 125 pieces (colours and sizes combined) — smaller quantities can be produced for an additional fee. Our studio can retouch or vectorise your logo for production.
