DESCRIPTION

Analogue nurse watch in PET, unisex model Nurwatch, designed for professional care use. The clear analogue dial includes a visible seconds hand to time procedures and comes with one button cell. Compact at Ø4 x 8 x 1.2 cm, it is lightweight and clips easily to a pocket or uniform for quick access.

The PET construction gives a smooth finish and makes cleaning straightforward with a damp cloth. The readable dial supports everyday clinical tasks in hospitals, clinics and care settings where reliability and simplicity are required.

Customise this personalised nurse watch with digital printing, doming or pad printing. This non-textile promotional item has a minimum order quantity of 150 pieces (colours and sizes combined) — lower quantities may be possible with additional fees. Suitable for companies, clubs, associations, events and private customers.
