Country of origin	China
Carton	50 pieces

DESCRIPTION

This Enjow non-woven seat cushion is made for outdoor events and stadium seating. Constructed from PP, it provides a lightweight, portable pad with an integrated carry handle and a rear pocket for a ticket or small programme. Compact 30 x 30 cm square shape, intended for occasional outdoor use. Care is straightforward thanks to the synthetic construction (follow usage instructions for cleaning).

The finish includes reinforced edges and a bound rim for improved durability; the flat rear pocket stays discreet while keeping small items to hand. Available in several colours — for example blue, red or green — across four colour options in total.

Customisable for companies, sports clubs, associations, events and private customers, this personalised Evènement de plein air can be decorated by screen printing, multicolour transfer, DTF printing or flex. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 h on weekdays and a graphic studio available to prepare or vectorise your logo.
