DESCRIPTION

Set of 3 barbecue utensils supplied in a zipped non-woven pouch, suitable for outdoor use and events. Metal handles and stainless-steel heads provide a firm grip and make cleaning straightforward. The compact dimensions (40x11cm) make it easy to carry and store in a car boot or cupboard.

The pouch fastens with a zip and includes a carry handle; the tools are held by internal elastic loops to prevent movement during transport. Made from PP and non-woven materials, the set is lightweight yet durable for regular use at family barbecues, club gatherings or promotional events.

This item is available from a minimum order of 6 pieces and is appropriate for companies, sports clubs, associations, schools and private customers as gifts or event giveaways.
