DESCRIPTION

Foldable PET bottle without BPA, Gates model, designed for on-the-go use. The flexible pouch holds 480 ml and folds flat when empty; the pouch shape with a screw cap and spout allows easy pouring. Suitable for daily use, hikes or event distribution. Care is straightforward: rinse with warm water after use.

The bottle includes an aluminium carabiner for attaching to a bag or belt and has a low profile when folded. The PET material is flexible yet durable; its compact dimensions make it convenient for travel. The product sheet specifies a minimum order quantity of 100 pieces (colours and sizes combined).

Customisation available by screen printing or pad printing. Recommended for companies, sports clubs, schools, associations and promotional events seeking a personalised bottle in bulk. Free quote within 24 h on weekdays and options for collection at our Evere workshop or delivery in BE/FR/LU.
