DESCRIPTION

Jared short kitchen apron, designed to be worn at waist/hip level, made from PET-cotton (90x40cm). This straight-cut apron protects the front without covering the legs, making it suitable for hospitality settings, market stalls or culinary workshops. The PET-cotton composition provides stable drape and a uniform hand, appropriate for professional use.

The apron features a divided front pocket with separate compartments for utensils, a pen or cloth, and long ties for easy waist adjustment. Visible stitching around the pocket and hems gives a practical, durable finish for everyday handling.

Personalise this personalised apron using screen printing on object, multicolour transfer, DTF printing, flex or embroidery to add a company logo, venue name or event branding. Minimum order: 50 pieces (colours and sizes combined). Recommended for businesses, restaurants, clubs and events seeking a professional branded solution.
