DESCRIPTION

The Trumbo stainless steel double-wall mug (220 ml) features a straight, compact profile designed for both hot and cold drinks. This unisex model is made of durable stainless steel with a brushed finish that makes cleaning straightforward. It is available in several colours, such as Blue, Black and Matte Silver.

The handle is a carabiner attached to the side, useful for clipping to a bag during outdoor activities. Its compact dimensions (Ø6.5 x 7.5 cm) make it easy to store, and the stainless construction provides reliable everyday durability.

This personalised mug can be marked by laser engraving or pad printing (tampography) depending on the finish required. Suitable for companies, sports clubs, associations, events and private individuals: orders must respect the stated minimum quantity (30 pieces). Our graphic studio can vectorise or retouch your logo for printing.
