DESCRIPTION

Slim stainless steel flask with a satin finish, single-wall construction and a 175 ml capacity. This unisex model is compact (16.5 x 4 cm) and designed to slip into a bag or inner pocket. The brushed surface gives a discreet look and a comfortable grip; clean by hand to preserve the finish.

The set includes the flask, two cups and a small funnel for easy filling. The attached screw cap reduces the risk of loss and the single-wall build keeps the set lightweight. Presented in a gift box, it is suitable as a corporate gift or promotional item.

Personalise this personalised bottle using laser engraving, tampography (pad printing) or digital printing depending on the desired effect.
