DESCRIPTION

The Neolap laptop sleeve (14") is a business bag designed for straightforward laptop transport. Constructed from PET-rubber, it provides a flexible, lightweight build with a short carry handle and a removable, adjustable shoulder strap. Compact dimensions (35 x 2 x 26 cm) make it suitable for everyday professional use. Available in one colour (black).

The sleeve features a zip closure and a flat front pocket for documents or slim accessories; visible stitching reinforces stress points and gives a clean, professional finish. Its slim profile allows easy insertion into a larger briefcase or light carriage between meetings.

Customize this personalised laptop sleeve using flex, multicolour transfer or DTF printing to achieve the desired look. Minimum order: 20 pieces (colours and sizes combined). Ideal for companies, sports clubs, associations, events and corporate gifts.
