DESCRIPTION

Practical for travel or the gym, this personalised toiletry bag is made from PET microfibre without phthalate 6 and combines a clear panel with a soft base. Measuring 23 x 10 x 14.5 cm, it provides ample space for toiletries and small accessories. A wrist strap makes it easy to carry and a zip keeps contents secure. Care is straightforward: wipe the transparent section with a damp cloth and hand-clean the microfibre.

The bag features a large transparent window for quick content checks, reinforced stitching around the edges and a flexible base that maintains shape without being rigid. The standard zip closure and wrist strap improve practicality for everyday use.

Customisable by screen printing on items, multicolor transfer, DTF printing or flex, it is suited to companies, sports clubs, associations, events and individuals looking for a branded gift or amenity kit. Minimum order: 20 pieces (colours and sizes combined).
