DESCRIPTION

Aluminium luggage tag in a compact size (8 x 4 x 0.2 cm), designed to identify suitcases and bags while travelling. The rectangular shape with rounded corners and metallic finish provides a clean, sturdy look. The steel cable with a screw clasp secures the tag to handles or trolley bars. No textile care instructions apply to this item.

The tag includes a reinforced eyelet for the cable and a designated area to write or print a name and contact details. Its slim 0.2 cm profile keeps it unobtrusive and compatible with most luggage without adding bulk.

Customisable by digital printing, doming, laser engraving and pad printing, this item suits companies, travel agencies, hotels, clubs and event organisers seeking a practical branded accessory. Minimum order: 250 pieces (colours and sizes combined). Opt for a personalised travel accessory to obtain a durable, professional marking.
