DESCRIPTION

Backpack designed to carry a 15" laptop with a padded laptop compartment; a unisex cut suitable for professional and organisational use. Constructed from durable PET, it features a structured shape, padded back and shoulder straps for comfort, and multiple pockets to organise documents and accessories. At 33 x 14.5 x 46 cm it is compact yet practical for everyday commuting and straightforward to care for.

The Macau model includes a zipped front pocket, several internal compartments and a built-in pen holder, plus mesh side pockets for a bottle. Reinforced finishes improve durability and the zip closures allow quick access. It is offered in 1 colour (black) and its organisation makes it well suited to office travel, training and team trips.

This personalised backpack can be customised with embroidery, flex, transfer (multicolour transfer) or DTF printing depending on the desired effect. Ideal for companies, sports clubs, associations, schools and events — minimum order: 5 pieces (colours and sizes combined). Our studio can vectorise or refine your logo before production.
