## DESCRIPTION

Corporate gift set including a metal twist ballpen, a keyring and a cardholder in zinc alloy and PU, presented in a compact gift box (17 x 16 x 3.3 cm). The pen provides a balanced feel and a smooth twist action, while the cardholder features curved edges and metal trims that keep a few cards neatly in place. Main material: stainless steel, with a restrained, professional finish. Care is simple: wipe with a soft cloth to preserve the metal look.

Designed for professional use, the set is ideal as a desk pen or client gift: the keyring and slim cardholder are secured in protective foam inside the box. Its compact dimensions make it easy to distribute at corporate events, award ceremonies or promotional campaigns.

Customisation available by digital printing, laser engraving or pad printing. Minimum order: 25 pieces (colours and sizes combined); smaller quantities can be produced with additional fees. Suitable for companies, sports clubs, associations, events and private gifts — free quote within 24 hours on weekdays and our studio can vectorise or retouch your logo. Perfect as a personalised pen gift.
