DESCRIPTION

The Wine&Cheese gift set in bamboo includes a serving board and a set of wine-and-cheese tools: a cheese knife, cheese slicer/peeler, corkscrew and drip stopper. The sliding-lid bamboo box has cut-out slots for each tool and measures 29 x 20 x 3.6 cm. As a natural material, bamboo shows slight variations in grain and finish; wipe clean with a damp cloth and avoid prolonged soaking.

The tools feature integrated wooden handles and the compact layout keeps everything neatly in place — practical for corporate gifting or event hospitality. The boxed presentation makes storage and presentation straightforward for regular use.

Customisation options include pad printing (tampography), digital printing and laser engraving — all suitable for bamboo. Recommended for companies, associations, clubs, events and private customers looking for a personalised gift set. Minimum order: 5 pieces.
