Reference	8438
Composition	PET-PU
Material	PET-PU
Average weight	0.032
Dimensions	20 x 14 x 13CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

This Cubacool insulated bag is made from PET-PU with laminated foam and an aluminium foil interior, sized to hold six cans (3 L capacity) and measuring 20 x 14 x 13 cm. Its compact, boxy shape and single carry handle make it practical for picnics, lunch breaks or outdoor events. The zip closure keeps contents secure. The model comes in several colours.

The cuboid construction provides good stability when set down, with reinforced stitching at the corners and a non-woven binding for structure. The aluminium-lined interior is easy to wipe clean and helps maintain cool temperatures. The dimensions are optimised for vertical can storage without wasting space.

This personalised sports and outdoor bag can be finished with flex, screen printing on items, multicolour transfer or DTF printing — suitable for companies, sports clubs, associations, events and corporate gifts. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; in-house design studio available to vectorise or retouch logos; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
