DESCRIPTION

The Housy keyring is a metal personalised keyring, compact in size (3.7 x 3 x 0.2 cm) and designed for everyday carry. Its house-shaped charm and polished finish give a tidy, professional look. Durable yet lightweight, it is easy to keep clean with a soft cloth.

The piece features a circular split ring and a small connector attaching the charm to the ring. The front face is flat, providing a practical area for marking. It is offered in several colour options (e.g. Black) depending on stock and is suited to promotional giveaways, property keys or event packs.

Customisation is available by laser engraving and pad printing (tampography). Recommended for businesses, estate agents, clubs, associations and events. Minimum order: 100 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees. Our studio can retouch or vectorise your logo prior to production. personalised keyring
