Reference	8462
Composition	Metal
Material	Metal
Average weight	0.018
Dimensions	Ø3,4 x 0,2 CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

This round metal keyring offers a clean, refined look for everyday carry. The flat circular disc (Ø3.4 cm) and polished finish create a slim, lightweight accessory that slips easily onto a keyring. Made entirely of metal, it provides solid durability while remaining understated and professional.

The joint between the ring and the pendant is neatly finished and the slim 0.2 cm profile keeps bulk to a minimum in pockets or bags. The polished surface is easy to wipe clean with a soft cloth, making it suitable for regular use as corporate swag, event merchandise or practical giveaways.

The item has a minimum order of 100 pieces. Personalisation options include laser engraving and pad printing, depending on the desired effect. Ideal for companies, sports clubs, associations and events wanting a discreet, long-lasting branded item. Request a free quote on weekdays to discuss marking and finishing options.
