| **Dimensions** | 24 x 11 x 3 CM |
| **Country of origin** | China |
| **Carton** | 50 pieces |

## DESCRIPTION

Carbon-steel hammer with an integrated bottle opener, ideal as a promotional tool or practical giveaway for events and teams. The head follows a classic claw-hammer profile while the opposite edge incorporates a bottle opener; the ergonomically shaped handle features a textured, non-slip sleeve for secure handling. Overall dimensions: 24 x 11 x 3 cm, compact and easy to store.

The hammer combines a metal head with a grippy handle finish to reduce slippage and is simple to clean after regular use. It is a non-textile promotional item suited to toolkits, event merchandising or corporate gifts.

Customisation options include laser engraving for a precise, long-lasting mark or pad printing (tampography) for coloured logos. Recommended for companies, clubs, associations and event organisers — minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
