DESCRIPTION

The Eduar touch-twist aluminium ballpen is designed for corporate gifts, events and promotional use. It features an aluminium body with a twist mechanism and blue ink, presented in a cardboard paper box. The pen offers a straight, balanced grip for everyday writing. Care is straightforward: wipe the aluminium with a dry cloth and handle the box gently.

The pen includes an integrated metal clip and a smooth finish with a central ring for a neat presentation in its box. Its compact size (17 x 2.7 x 2.2 cm) makes it easy to distribute at events or include in welcome packs.

Customisation options include personalised pen by laser engraving, pad printing, digital printing and screen printing on objects. Suitable for companies, clubs, associations, schools and private customers looking for promotional pens or branded gifts. Minimum order: 200 units (colours and sizes combined). Free quote within 24 hours on weekdays and an in-house design studio to adjust or vectorise your logo.
