DESCRIPTION

Compact ABS pedometer for everyday activity tracking: displays steps, distance (miles and km) and calorie count. Its small footprint (4 x 5 x 2.1 cm) makes it easy to carry in a pocket or on the move for sporting and outdoor activities. A button cell battery is included for immediate use. Care is straightforward — wipe with a dry or slightly damp cloth.

The clear digital screen and two control buttons provide simple operation for resetting and mode selection. The ergonomic shape offers a secure grip while the ABS casing gives a neat, durable finish for regular use.

This personalised pedometer can be customised using pad printing and is suited to businesses, sports clubs, associations, events and promotional gifts for private customers. Minimum order: 125 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays; our artwork studio can prepare or vectorise your logo. Standard production applies; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
