Travel-size sunscreen (30 ml) in the Suncare model, designed for everyday outdoor use and easy attachment to a bag or keyring. The PE bottle offers a compact grip and a flip-top dispenser for SPF25 application. It comes in several colours — for example blue, white or orange — making it suitable for outdoor events, corporate giveaways or promotional packs.

The bottle features an integrated loop with a metal carabiner, visible in the photo, so it can be clipped to a backpack or belt. Its compact dimensions (4.7 x 2.4 x 9 cm) and smooth PE finish make it easy to carry and clean. The black flip cap ensures controlled dispensing of the product.
