## DESCRIPTION

The Big Cubacool insulated bag is designed for keeping drinks and food cool during events, trips or deliveries. Its upright shape (26 x 17 x 32 cm) holds up to six 1.5 L bottles within a 12.5 L capacity. Constructed from PET-PU with an aluminium foil lining and a non-woven trim, it provides basic insulation and is easy to wipe clean. The wide shoulder strap improves carry comfort and a full-width zip gives quick access to the contents.

Visible details include straight seams and a reinforced base trim that helps the bag keep its shape when loaded. The top zip opens across the full width for easy loading; the lack of external pockets keeps the design compact and durable for repeated use.

This bag can be ordered as a personalised sports and outdoor bag using flex, screen printing on objects, multicolour transfer or DTF printing. Suited to businesses, sports clubs, associations, events and individuals. Note: minimum order quantity is 25 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo to ensure the best print result.

## COLOURS (1)

White
