DESCRIPTION

Compact aluminium set comprising a 9-LED torch and a pen-style screwdriver with six interchangeable bits. Designed for everyday use by companies, clubs or as event giveaways, it fits easily in a pocket or bag thanks to its small footprint (14 x 8 x 3.9 cm) and wrist strap. Requires 3 AAA batteries (not included). The aluminium construction gives a solid feel and a professional look suitable for frequent handling.

The screwdriver pen features a tubular body with a belt clip and internal storage for the bits, while the torch includes knurled sections for improved grip. Supplied in a black cardboard box, the set is convenient to hand out at events or include in gift packs.
