It has a rectangular shape with reinforced carry handles and an adjustable, removable shoulder strap for shoulder or cross-body wear; two zipped side compartments and a front pocket with an earphone pass keep belongings organised. The robust material makes the bag easy to maintain and suitable for regular use.

Visible details include a zip on the main compartment, reinforced stitching at stress points and plastic feet protecting the base. The dimensions offer practical capacity for sports kit or a short trip, while multiple external pockets allow quick access to small items.

This personalised sports bag can be customised using screen printing on objects, multicolor transfer, DTF printing or flex, and suits companies, sports clubs, associations, events and private customers. Minimum order: 5 pieces (colours and sizes combined).
