DESCRIPTION

Petit Lambut: a compact paper tube containing six coloured pencils, ideal for school, events or promotional use. The paper body gives a natural, lightweight feel while the transparent cap includes a built-in sharpener. Size Ø2.7 x 10 cm — small enough to fit in a bag or pencil case.

The item is available in several colour variants and pairs a paper cylinder with a clear plastic lid, as visible in the photo. The plain paper finish is easy to print on and suits inclusion in giveaway packs. The pencils sit upright inside the cap for quick access.

This personalised writing set can be customised by tampography or digital printing, both suitable for the cylindrical surface and clear cap. Recommended for companies, sports clubs, associations, schools, youth movements and private customers. Minimum order: 200 pieces (colours and sizes combined).
