DESCRIPTION

Extendable aluminium torch designed for practical use on-site or in workshops. Unisex model, solid to the touch and compact when collapsed: maximum extended length 57 cm, listed dimensions Ø2.2 x 17 cm when retracted. Four LR44 batteries are included. The aluminium body provides a secure grip and makes it easy to carry.

The head features a magnet for temporary attachment to metal surfaces and a side clip for pocket or belt fastening. A lateral on/off switch is incorporated for straightforward operation. The telescopic function allows illumination of deep or hard-to-reach areas without additional tools.

Customisation available by laser engraving or tampography, depending on the desired finish. Suitable for companies, sports clubs, associations, events and individuals looking for a personalised tools and torches item for promotional giveaways or equipment packs. Minimum order: 50 pieces (colours and sizes combined).
