DESCRIPTION

Compact aluminium keyring torch, model Arizo, designed for everyday carry. With dimensions Ø1.6 x 6.5 cm, this small LED flashlight provides convenient spot illumination for finding locks or lighting small tasks. The metal body features knurled ends for improved grip and a rear push button for simple on/off operation. Four LR44 batteries are included.

The torch is attached to a sturdy keyring and has a tubular, metal-finish design suited to regular use. It is offered in several colours, for example black, blue or silver. No technical attributes beyond those supplied are assumed.

Customisation available by laser engraving or pad printing for corporate gifts, clubs, associations and event giveaways. Minimum order: 250 pieces (colours and sizes combined). Our studio can prepare or vectorise your logo to ensure a clean mark.
