DESCRIPTION

Compact ABS keyring tracker, the Finder measures 3.8 x 3.8 x 0.7 cm and is designed to attach to keys, bags or luggage. Its rounded-square shape includes a small push button, an eyelet for the cord and a metal split ring for secure attachment. It connects to a free mobile app (iOS and Android) to help locate lost items and can also trigger a sound on your phone.

The simple, sturdy housing and visible fittings — eyelet, cord and ring — make it practical for everyday use and easy to carry without bulk. The slim profile ensures minimal space is taken up in pockets or bags.

This personalised keyring can be branded by tampography or digital printing. Ideal for companies, associations, clubs, schools and promotional events. Minimum order: 100 pieces. Free quote within 24 hours on weekdays and our studio can vectorise or retouch your logo.
