Emergency car light

Ref. 8678

Reference	8678
Composition	TPR
Material	TPR
Average weight	0.123
Dimensions	Ø9,5 x 3,3 CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

Compact emergency lamp designed as a car accessory to keep in vehicles for roadside use. The TPR housing provides a secure grip and light impact resistance. The 5Lights model offers five lighting modes (steady, end light, alternating, flicker and flashing) operated via an on/off button. Size Ø9.5 x 3.3 cm makes it slim enough for glove compartments or boot storage.

It features a magnet and rear hooks for temporary mounting on metal surfaces or hanging during an incident. The partially rubberised finish improves grip and protects the unit, while the LED cluster and clear bezel ensure effective light output. Simple care: wipe locally with a damp cloth.

Customisation options include DTF printing-equivalent digital printing, doming and laser engraving, making it suitable for companies, garages, clubs and event organisers looking for a practical promotional item. Minimum order: 50 pieces (colours and sizes combined). personalised car accessories.
