DESCRIPTION

Multifunction twist pen made of ABS for professional and association use: black ink, touchscreen stylus tip and an integrated ruler with graduations. The slim silhouette and knurled grip visible on the photo ensure secure handling; it also features a built-in spirit level and two screwdriver heads (flat and Phillips). Compact dimensions: 14.5 x 1.1 x 1.1 cm, convenient to carry in a pocket or notebook.

Practical details matter: metal clip for attachment, sturdy ABS body and a stylus for touchscreen devices. The marked ruler and the bubble level add useful functions for site visits or technical teams. Care is simple — wipe clean with a damp cloth.

Customisation available by pad printing (tampography) and laser engraving. Minimum order: 500 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations, events and promotional giveaways. Request a free quote; marking is itemised and priced in the quote.
