Anti-stress PU helmet

Ref. 8685

Reference	8685
Composition	PU
Material	PU
Average weight	0.021
Dimensions	8 x 6,5 x 4,5CM
Country of origin	China
Carton	250 pieces

DESCRIPTION

Stress reliever shaped like a construction helmet, made from soft PU in a compact 8 x 6.5 x 4.5 cm format. The moulded ridges and smooth surface reproduce the helmet silhouette while remaining squeezable and comfortable to hold. Cleaning is straightforward with a damp cloth; avoid aggressive chemicals.

The item’s detailing includes raised ribs and a rounded base that sits well in the hand; it is lightweight yet resists superficial deformation during normal use. It works well as a giveaway for trade shows, safety days or promotional events aimed at children and adults alike.

Customisation is available by pad printing on a flat area; suitable for companies, schools, clubs, associations and private individuals for promotional gifts, events or awareness campaigns. Minimum order: 125 pieces (colours and sizes combined). This makes a practical personalised indoor game.
