DESCRIPTION

Wooden carpenter pencil in a flat profile, model Maderos, designed for precise on-site marking and technical use. The wooden construction provides a comfortable, secure grip and good durability. Its flattened shape prevents rolling and makes straight-line marking easier. Overall dimensions 17.5 x 1 x 0.8 cm with an integrated ruler graduated to 14 cm for quick measurements on the go.

The photographed item shows a smooth wooden finish and clear graduated markings; it’s lightweight and practical to keep in a pocket or tool kit. Available in several colours — for example black, red or wood — it is suited to repeated field use and requires no special care.

Customisation is possible by tampography and laser engraving, making this personalised pencil appropriate for construction firms, technical clubs, vocational schools, promotional events and corporate gifts. Minimum order 500 pieces (colours and sizes combined). personalised pencil
